www.greenbasketball.com

Dear Parents,

Welcome to another exciting basketball season in Green!!! The Green Youth Basketball program will consist of *Boys and Girls in the 2nd, 3rd, 4th, 5th and 6th grades.* This year we are changing our format ,our in-house recreational program will begin in November and will end the second week of January. We will once again have traveling teams in the 4th, 5th & 6th grades and will hold tryouts for the travel teams sometime in mid-December(actual dates to be announced). The traveling teams will play in tournaments beginning in February and will conclude play before April 1st (Additional \$75 fee required.) Participation in the GYBA recreational league is required for any player trying out for one of our travel teams.

As always, the continued success of our program depends on the volunteer participation of parents as coaches and assistant coaches. We welcome any adult, with or without basketball coaching experience, to be a part of our community's team. Green High Schools Boys Varsity Coach, Mark Kinsley, and Girls Varsity Coach Tony Whitmer, will be giving coaching clinics to help us run successful practices and teach the proper fundamentals necessary for players to improve. Both coaches and their staffs will be working closely with us all season.
