The goal of the Green Youth Basketball Association is to ultimately provide the High School varsity basketball programs with more game experienced and more fundamentally prepared players. The in house recreational program is open to all Green residents, regardless of where they currently attend school, or where they plan on attending in the future. The traveling teams will consist of players who, at this time, plan on attending Green High School.

As current residents of Green, my son/daughter, _____
is planning on attending Green High School.
